SKILLSET

- Familiarity in Google, Microsoft cybersecurity ecosystem
- Solid knowledge and lecturing ability of information security tools and frameworks

- Open-Source Intelligence
- Thinking outside the box, and solving issues professionally
- Lifelong learner and lecturer of team

RECENT PUBLIC EXPERIENCE (EMPLOYEE)

Byborg Enterprises (HU) – IT Security Specialist (2024-2025)
- I took part critical cybersecurity risk assessments and OSINT projects, including due diligence, background checks to identify and mitigate risks.
- Collaborate with different members of information security and compliance teams.

ISACA Mentorship Program (HU) – mentored (2023)
I took part in the IT audit mentoring program.

IBM DSS (HU) — Cyber Threat Defense Analyst (2021-2022)
- analyst tasks in 12 hours shifts
- recommending improvement proposals to fine-tune runbooks
- mentored the newcomers
- led client meetings

Netacademia LLC (HU) — content creator, professional writer (2018-2019)

University Debrecen (HU, 2009-1014), remote project works (EMEA, 2014-) — intranet developer, LAMP SME with applied knowledge (Apache, Python, bash, shell programming, SQL, Debian linux, cloud integration) – dealing with information security, cybersecurity tasks (2009-). Experience in Google Cloud Platform (GCP), Microsoft Cloud infrastructure and cybersecurity services, related DevSecOps tasks for clients' custom needs and align the business requirements in cross-functional groups.

Strengths

- Comprehensive knowledge and literacy in many hidden, semi-public and partially-restricted materials, eLearning contents and data sources - for your business needs.

- Teaching ability of different SIEM, SOAR, EDR, XDR tools, Python, bash languages, virtualization, web application security, computer networks.
- Recommend tailored eLearning materials and resources to newcomers and colleagues.

LANGUAGE PROFICIENCY

- Hungarian (native)
- English (professional)

EDUCATION – UNIVERSITY

- University of Debrecen, Faculty of Science and Technology 2005-(2010) - molecular biologist (summa sine diploma)
- Eötvös Loránd University, Faculty of Law (2021) - Juris Doctor (I've customized learning schedule)

EDUCATION - KNOWLEDGE AREA, CONCISE LIST OF QUALIFICATIONS

2020-2025 (passed) **OPSWAT** OT Security Expert, OPSWAT Comprehensive OSINT Expert, **Oracle** Cloud Infrastructure Architect Professional (CODERED), Cybersecurity for FinTech (CODERED), Data Mining for Fraud Detection (CODERED), Information Systems Auditing, Controls and Assurance (The Hong Kong University of Science and Technology), Mastering Web and Infrastructure Reconnaissance (CODERED), **Google** Cybersecurity Professional, Operational Analysis of Suspicious Transaction Reports (**Basel Institute on Governance**), Master Open Source Intelligence (CODERED) - Python for Cybersecurity Specialization (Coursera), **Palo Alto** Networks Security Operations Fundamentals, **IBM** Machine Learning Specialist Associate, **Qualys** PCI Compliance, **Splunk** Search Expert Specialization, Qualys Web Application Scanning, IBM Guardium Foundations Intermediate, Challenging Forensic Science: How Science Should Speak to Court (**UNIL**), IBM Cybersecurity Analyst Assessment, Infrastructure and Application Modernization with Google Cloud, Lifecycle, principles and good-practices on national cybersecurity strategy development and implementation (**ITU**), Managing Security in Google Cloud, Forensic Accounting and Fraud Examination (**UNODC**), Advanced Anti-Corruption (Basel Institute on Governance), Visualize Cases and Flows of Money (Basel Institute on Governance)

2025 (in progress/renew phase) **Google** Professional Cloud Security Engineer, **OCIP** (Inteltechniques), Open Source Intelligence Certification (**GOSI**, GIAC), Certified OSINT Expert (**MOIS**, Mossé Cyber Security Institute), **CSI Linux Certified** Investigator (Echothislabs)

PUBLIC AFFILIATIONS

- ACM - Association for Computing Machinery - Professional Member
- IACA - International Association of Crime Analysts - Member
- IALEIA - International Association of Law Enforcement Intelligence Analysts - Associate Member
- IEEE - Institute of Electrical and Electronics Engineers - Professional Member
- ISACA - Information Systems Audit and Control Association – member
- PMI - Project Management Institute – Member

VOLUNTEERING, CLOSING REMARKS

- many of my volunteering AND other for-profit activity considered as confidential and covered by non-disclosure or stronger agreements.
- Latest p. s. clearance: 9th Apr 2025 (SE2504090004/HA01) issued by Hungarian Ministry of Interior, Criminal Records Authority
